LENA BLOOM CREATIONS

Meet Hellen Muthoni Johnson, the creative mastermind driving Lena Bloom Creations, an Events Company that's transforming Nanyuki's event landscape. With a heart full of determination and a mind teeming with innovative ideas, Hellen has curated an incredible journey, making Lena Bloom Creations a name to reckon with. Based in the charming town of Nanyuki, Lena Bloom Creations isn't just an events company; it's a hub of imagination turned into reality. From dreamy weddings to vibrant cultural celebrations, dynamic corporate events to enchanting birthday parties and baby showers, Lena Bloom Creations weaves magic into every event it touches.

But like any tale of success, Hellen's journey wasn't paved with rose petals. She began her odyssey at the local eatery, Le Rustique, where she honed her skills while working as an administrator. Little did she know that this experience would become the cornerstone of her event planning prowess. When the unforeseen storm of the COVID-19 pandemic struck in 2020, Hellen lost her job. But out of the ashes of adversity, she ignited the spark that birthed Lena Bloom Creations. Armed with determination and a newfound vision, she invested in a photo booth and hosted her very first event—a lively birthday party in October 2020.

The rise of Lena Bloom Creations has been meteoric, and its portfolio reads like a who's who of the event world. From prestigious Safaricom Investments to the Lewa Marathon, the Mount Kenya Wildlife Conservancy to the Rotary Club, Lena Bloom Creations has woven its magic across a spectrum of esteemed clients.

What sets Lena Bloom Creations apart is Hellen's commitment to her community. She believes in giving back and paying it forward. Through mentorship programs, she ignites the passion of the youth, empowering them to follow their dreams. But what truly defines Lena Bloom Creations isn't just the events it orchestrates; it's the spirit of creativity and authenticity that Hellen brings to each project. With her at the helm, every event is a canvas on which stories are painted, emotions are felt, and memories are etched.

Hellen Muthoni Johnson's journey from a local restaurant to the mastermind behind Lena Bloom Creations is a testament to the power of passion and perseverance. She's more than an event planner; she's an architect of dreams, a mentor, and a pillar of her community. Through every challenge, she's proven that where there's vision and dedication, success is not just achieved—it's celebrated.

TERPS CONSULTANCY

THUO NJOROGE DANIEL IS RESHAPING THE ENERGY LANDSCAPE IN AFRICA

Thuo Njoroge Daniel is the driving force behind TERPS Consultancy, an Energy Economics Consultancy that's reshaping the energy landscape in Africa. With a blend of expertise and passion, Thuo is on a mission to illuminate the path to sustainable energy solutions for both the public and private sectors.

Based in the heart of Nanyuki, TERPS Consultancy isn't just about crunching numbers and analyzing data; it's about fostering change that resonates at every level of society. From crafting energy policies that empower communities to guiding the energy plans of Laikipia County, Thuo and his team are at the forefront of a brighter energy future. One of TERPS Consultancy's standout features is its dedication to making alternative and clean power accessible to all. With a focus on wind and solar energy solutions, they're not just reducing the carbon footprint; they're paving the way for affordable and sustainable power options. Thuo's passion lies in envisioning a world where renewable energy isn't a luxury, but a necessity that benefits everyone.

But TERPS Consultancy doesn't stop at power generation. Thuo's commitment extends to the very kitchens of local communities. With smart cooking solutions like bio-gas and the introduction of efficient stoves and solar lamps, he's transforming the way households cook and light up their lives. It's not just about energy efficiency; it's about improving lives, one home at a time. Challenges may abound in the energy sector, but Thuo tackles them head-on. From working closely with NGOs, government bodies, the private sector, and local communities to ensuring that energy policies are both impactful and feasible, he's a catalyst for transformative change. Thuo's vision isn't confined to spreadsheets; it's about real-world solutions that uplift communities and safeguard the environment.

In a world where sustainable energy solutions are more crucial than ever, Thuo Njoroge Daniel stands tall as a beacon of hope and innovation. His journey from a local consultancy to a force of change is a testament to the power of passion and determination.
